\*Draft, 03/02/25  
**AGENDA**

Time	Agenda Item	Presenter
09:30-9:45	Welcome and Opening Remarks	Ulf Stein (Ecologic Institute, DE)
Integrating Perspectives under SETS: Hydrological and Ecological Impacts of NBS		
09:45-9:55	Keynote: Role of "AquaNBS" for urban biodiversity	Kati Vierikko, Project Coordinator BiNatUR (SYKE)
09:55-10:10	Understanding Socio-Ecological-Technical Systems	Tom Wild (University of Sheffield, GB)
10:10-10:25	Spotlight Rotterdam: Assessing Ecological Resilience of urban catchments to combined sewer overflows	Sven Teurlincx (NIOO-KNAW, NL)
10:25-10:40	Q&A & Participant Discussion	
10:40-10:50	Coffee Break	
10:50-11:05	Co-designing ecosystem service provisioning of NbS into hydrological-aquatic models	Lisette de Senerpont Domis (NIOO-KNAW, NL)
11:05-11:20	Spotlight Boston: Modelling pollution mitigation potential of NbS	Matthew Eckelmann, (NE University, USA)
11:20-11:30	Q&A & Participant Discussion	
11:30-12:15	Panel Discussion	Dagmar Haase (Humboldt University Berlin)  Timon McPhearson (The New School)
12:15-13:30	Lunch Break	
Navigating Urban Futures: Socio-Economic and Political Dimensions of Nature-Based Solutions		
13:30-13:40	Keynote: Berlin Urban Nature Pact (requested)	TBD
13:40-13:55	Spotlight Barcelona: Evaluating socio- economic values of NBS in communities	Giulia Benati (UAB, ES)
13:55-14:15	Decision-Tool for water managers: Scenario-Maps of community vulnerabilities and feasibilities of NBS	Svetlana Khromova, Johannes Langemeyer (UAB, ES)
14:15-14:30	Q&A & Participant Discussion	
14:30-14:40	Coffee Break	
14:40-14:55	Governance of urban water management: Best-practice examples of NICHES case studies	Ida Meyenberg, (Ecologic Institute, DE)
14:55-15:10	Transformation of urban water management: Designing Transition Pathways for major cities	David Alejandro Camacho Caballero (UAB, ES)  Benjamin Kupilas (Ecologic Institute, DE)
15:10-15:25	Q&A & Participant Discussion	
15:25-16:10	Panel Discussion	David Maddox (Executive Director, The Nature of Cities)  Chantal van Ham (Commonland)
16:10-16:20	Closing Remarks	TBD  Ulf Stein, (Ecologic Institute, DE)
